

WE HAVE LAUNCHED A NEW REGISTRATION PORTAL!

Please give it a try, new systems definitely have a learning curve to them, but once familiarized it will go smoother!

WHY THE NEW SYSTEM?

This will allow all of the information to be centralized and secure. It will also allow users to have their information stored so once you have registered, you won't need to submit the information multiple times over. Your account will allow you to autofill the information in a secure manner. Ideal-Logic the same team that created our Workshop Request Portal has been working to create this new Registration Portal!

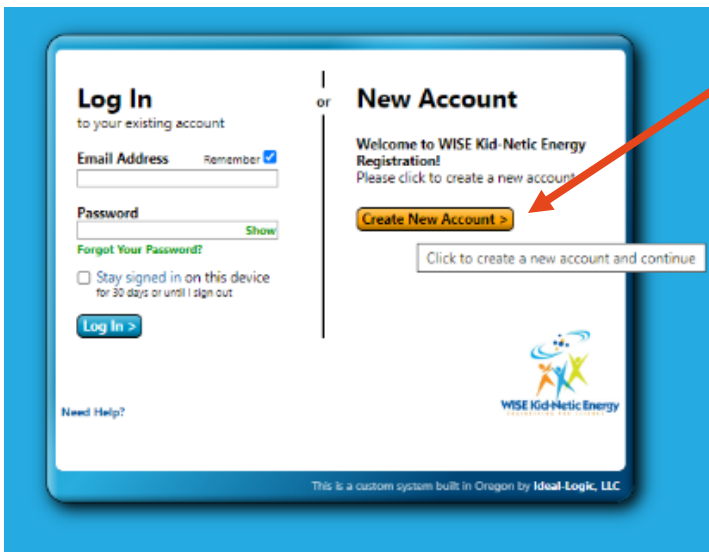

LET'S GET STARTED: OPENING THE REGISTRATION LINK

Please click the **"Click Here to open up Registration Portal"**.

This will take you to a separate tab where our **NEW** Events, Clubs & Summer Programming Registration Portal will exist!

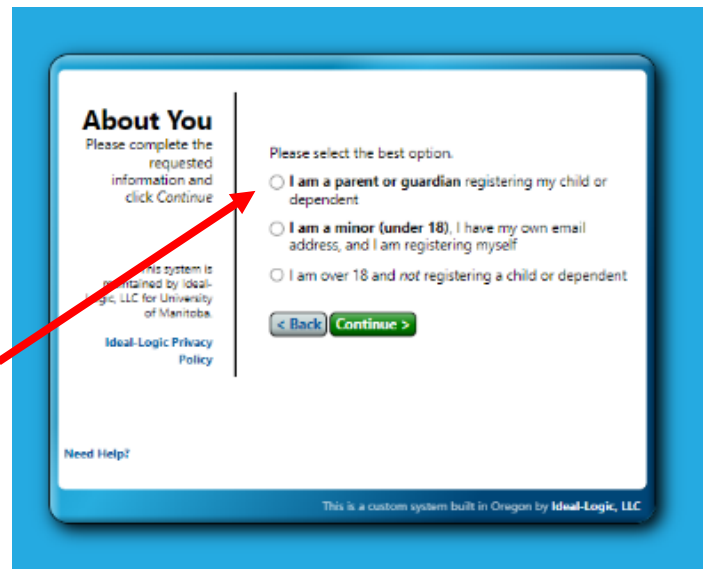

You will be taken to create a **New Account!**

First click the **Create a New Account**. This will lead you to the set up of your account that you will be able to log into any time you're interested in registering for any of our future Events, Clubs or Summer Programming!

Select the one that is applicable to you. We foresee parents/guardians making the accounts. But we understand some youth may access our Portal as well.

Then, press **Continue**.

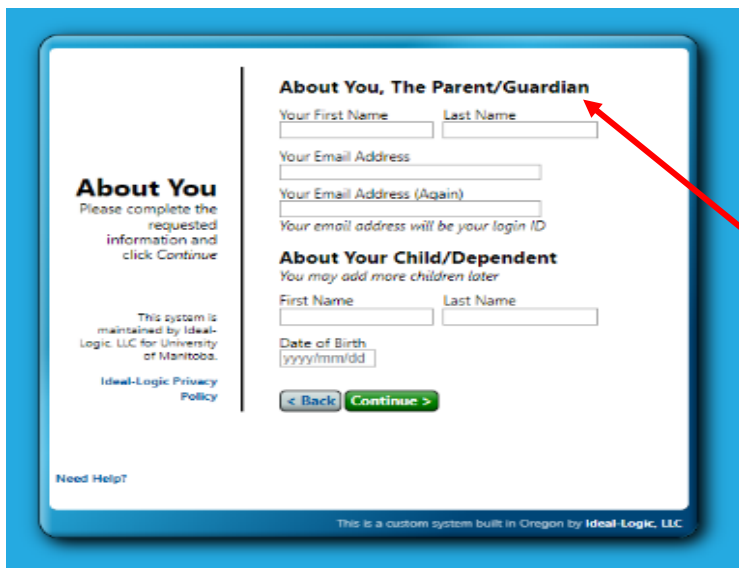

You will be asked **Your Name, Contact Information and the information of the Youth/Dependent.**

When you are logging in, you must keep in mind that you are logging in as the person registering the child.

The information you are **filling out here will be incorporated into the Registration form you are creating.**

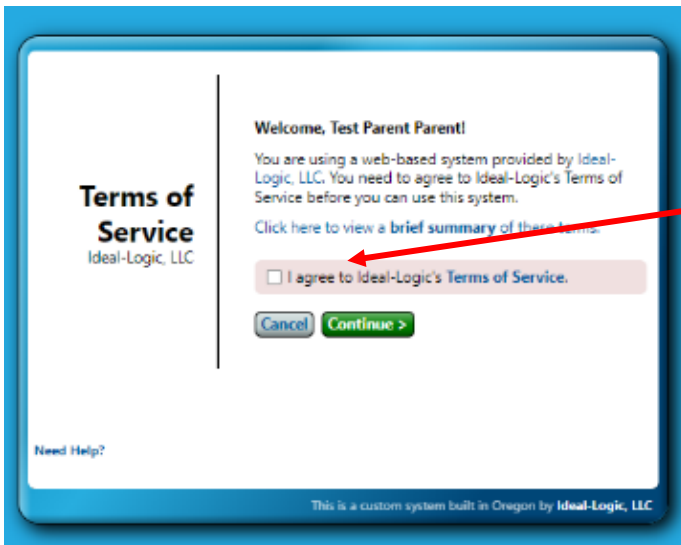

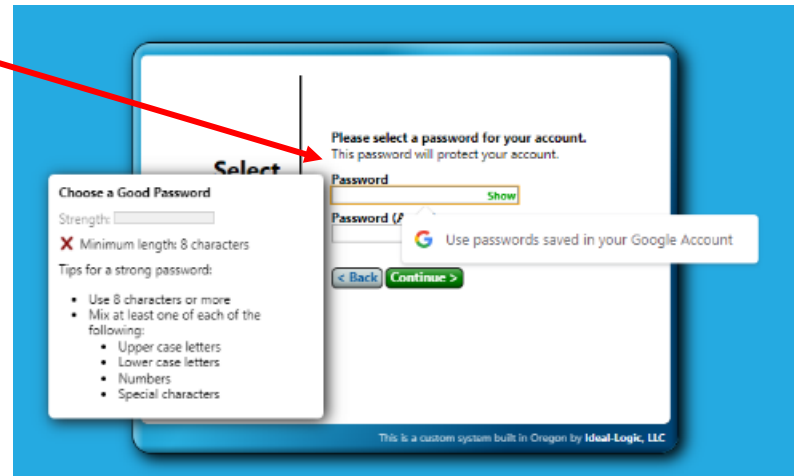

Once you fill out the text boxes with the necessary information, please click **Continue**.

Then you will have to create a **password**.

To make this secure for you please make the **password 8 characters long and include 1 of each of the following:**

- Upper Case
- Lower case
- Number(s)
- Special Characters for example !@#\$%^&*(

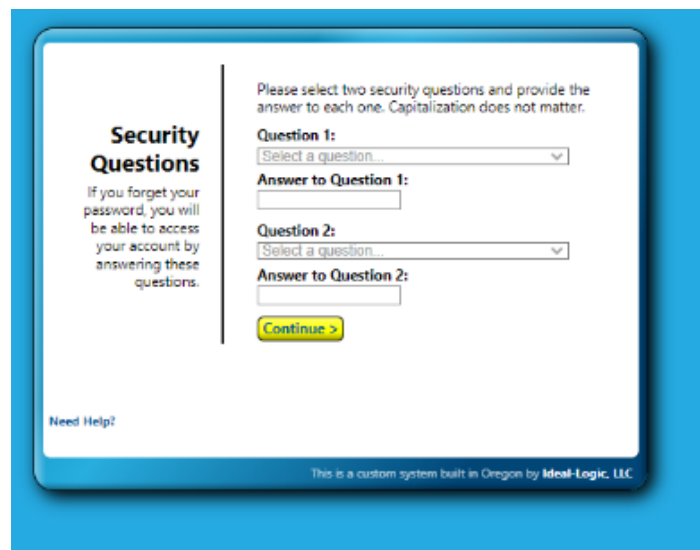

Please feel free to review the **Terms of Services** and click the box by **I agree to Ideal-Logic's Terms of Services**.

Then press **Continue**.

In the age of digital information, we want to make sure our users and registrants experience a Secure Method of Registering.

If there is a case where you forget your password, the two security questions will get you to reset the password.

Once you press Continue, it will take you to the Portal and straight to the Registration form you will be filling out!

You will only need to create an Account one time! The next time you would like to register you will be just asked for the email address and your password to access the portal!

WE VALUE OUR CLIENTS EXPERIENCE AND FEEDBACK. AS WE ARE MOVING FORWARD WITH THIS NEW SYSTEM, PLEASE PROVIDE US WITH FEEBACK ON HOW YOUR EXPERIENCE WENT. WE COMPLETELY UNDERSTAND THAT THERE ARE A FEW MORE STEPS THAN YOU MAY BE USED TO BUT WE WOULD LIKE TO ENSURE THAT ALL INFORMATION IS CENTRALIZED AND SECURE!
